i n c o r p o r a t e d

Hourly Service Rates*

Sr. Systems Analyst	\$175
Sr. Engineer/Programmer	\$150
Staff Engineer/Analyst	\$100
Technical/Admin Support	\$75

Expenses

Travel, reproduction, media costs, and other miscellaneous expenses will be invoiced at out-of-pocket cost plus a handling charge of 15%.

** Hourly rates can be adjusted for projects where a minimum number of hours has previously been agreed to by Atlas Technologies, Inc. and the client.*

Most notably is our ability to rapidly create requirements and software for custom SNMP Proxy Agents.

Atlas Technologies, Inc. can also provide:

- ◆ informal on-site training courses
- ◆ installation and maintenance services

This range of service enables you to choose the support that best meets your needs.
